the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 12.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office for National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's services. The strategy is based on the following principles: older people should be able to live independently in their own homes; older people should be able to access the services they need; and older people should be able to participate in the decisions that affect their lives.

The strategy also sets out a number of key objectives for the future of older people's services. These include: to improve the quality of life of older people; to reduce the inequalities in health and social care between different groups of older people; to ensure that older people are able to access the services they need; and to ensure that older people are able to participate in the decisions that affect their lives.

The strategy is a key document for the development of older people's services in the UK. It sets out a vision for the future of older people's services and provides a framework for the development of policies and practices to achieve this vision. the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population.

There is a growing awareness of the need to address the mental health needs of prisoners. CHECK OUT THE CHANGES!!

MR. FRALEY THE NEW HIGH SCHOOL PRINCIPAL IS GETTING INTO THE GROOVE OF THINGS NOW. HE IS DOING A GREAT JOB IN TAKING PART OF CLEANING UP THE SCHOOL AND MANY OTHER PROJECTS THAT HELP TO MAKE THIS SCHOOL BETTER. GOOD JOB!!

RIVER FOREST HIGH SCHOOL
Indiana Street And Huber Blvd.
Hobart, Indiana 46342

Title Page 1

The students listen attentively to Mr. Fraley as he gives his first pep session. He is one of the biggest changes we have made here at RF.

This year River Forest has made a number of changes. First of all, Mr. Fraley replaced Mr. Tippet as the high school principal. We got two new secretaries and Mrs. Philpott replaced Mrs. Grusak as the treasurer. Channel one was installed in most of the rooms throughout the school, so every day most of the students get to watch the news for 10 minutes or so. Many of the disciplinary acts have been changed. We have Saturday School, 3 tardies and you get work detail (when before it was 5). Work detail is a lot of different jobs than before that make the school look much better. Many other things have changed also since Mr. Fraley has been installed here at River Forest.

The 1990 football team line up at the dome to congratulate the other team on their victory.

Mrs. Lozanovski, the new high school secretary, is very excited about her new job.

Out The Changes

The River Forest Ingots shake hands with their opponents before the game at the Dome in Indianapolis.

"Check out the changes" the theme of the 1990-1991 yearbook. Who would have thought that so many changes could happen in such a small period of time. This year, River Forest has a new superintendent, a new metals class, a new secretary, the football team won their way to the Dome (the first time in River Forest School history), and there is a new principal here at Ingot Land. Dayrl Fraley is the new principal. He will be a part of River Forest for a while and with his attendance, there will be many more changes to come.

Let's Make A Change

Student Life

Some of the Ingot students were caught taking a break during Science class.

Jennifer Johnson studies hard to pass a test.

Monica Fields and Koni Johnson show what friends really are.

Scott Tharp and Renae Mikita prove that the library's security alarm really does work.

Some of the seniors get involved and show off their class spirit.

What a cute couple Margie and Juan make.

Larry Criswell studies hard in the lobby area during our lunch break.

The 1990-1991 yearbook class shows off their humor and their smiles.

Denise Kelly and Tammy Norenberg walk with pride to their next class after they devour their nutritious school lunch.

Deanna Mireles and Kristen Baker show off their expressions in the junior high bathroom after their previous class.

Monica and Melissa grab a bite to eat during a field trip.

A Colombian Change

AS A NEW STUDENT HERE AT RIVER FOREST HIGH SCHOOL FROM COLOMBIA, SERGIO GRACIA TOOK AN ADVENTURE BY LEAVING HIS HOME. HE CAME TO AMERICA AS A FOREIGN EX-

CHANGE STUDENT TO LEARN THE TRAITS OF THE AVERAGE AMERICAN STUDENT. SERGIO IS INTERESTED IN MANY SPORTS. HE ENJOYS VOLLEYBALL AND BASKETBALL. DURING LUNCH YOU WOULD USU-

ALLY SEE HIM PLAYING BASKETBALL WITH HIS FELLOW CLASSMATES. HE HOPES TO CONTINUE HIS EDUCATION HERE IN THE U.S. AFTER HE GRADUATES.

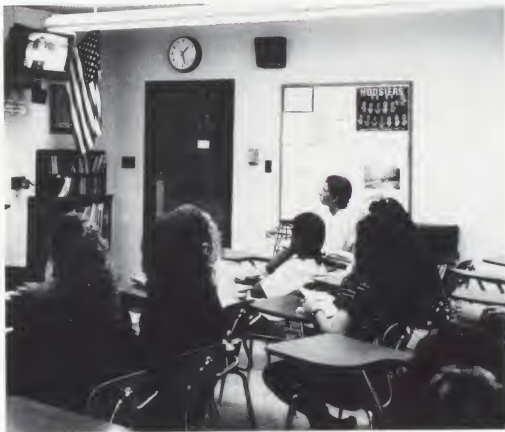

Channel One Invades R.F.

Channel One is an innovative news program. Introduced by Whittle Communications, Channel One is a twelve minute news broadcast that reports the day's news and various topics that are of interest to today's students via satellite. The Channel One cast mainly consists of teens like ourselves. They are Michelle Ruiz, Kathy Kronenberger, Hicks Neal, and Mark Carter. If your school or community has a unique event that one may think is newsworthy you can call a 1-800 number and if they like it, they'll bring a film crew to your school. By subscribing to Channel One, the school receives monitors to install in every classroom to watch the broadcast. These monitors can also be hooked up to the local cable company to receive educational programs that were unattainable before. Whittle communications also gives the schools new video cassette recorders, or as we know them VCRs, to tape or watch special programs. In our hallowed halls you may have noticed not all the classrooms have the Channel One monitor.

Don't call the school cheap be-

cause of this; it's your teacher's fault. You see last spring a representative from Whittle Communications made a proposal to the school board, which gave its okay. Then the teachers were shown a videotape of what Channel One would be like. The teachers decided if Channel One was an appropriate to their curriculum, or if after watching Channel One there would be enough time for the lessons, and to finish the classwork. At River Forest the official time to watch Channel one is the second period broadcast. Some teachers allow Channel One every time it pops in during first, fifth, and sixth hours, however if a class becomes too rowdy, or the class load for the day is heavy, the teacher can just shut it off. Some teachers, and parental groups think Channel One is not really educational because it contains commercials in its daily broadcast, for products many teens use, like candy bars, acne medicine, gym shoes, and soft drinks, but commercialism is just a part of today's world, and we are unable to escape it even in our schools. Nonetheless, Channel One is just a part of the daily school life for students here at River Forest.

Life in junior high is just one big party. Only it stops after you get in trouble.

Tony Arreola takes a break while the rest of his classmates work hard.

Does this look like fun? Of course it is, can't you see?

Band class is so much fun I think I'll take a nap so I don't wear myself out having such a good time.

You're in the army now! Actually, just Junior High. FUN!!

Goshi I'm always in trouble. It seems like I'm in the hall more than I'm in the class.

"So this is junior high, big whoop!" These are the thoughts of many junior high students as they walk in the doors on the first day of the year.

But actually, you are a whole new person now. You want respect, responsibilities, and better grades. But you have to work to get those things. Just like any other person in the world.

Q: Do you feel that your parents give you more respect now that you are in Junior High?

A: "Sort of. But sometimes I feel like they treat me worse than

when I was in elementary. It's like they don't trust me or something.

Q: Do you feel that your studies have become more of an importance since you entered junior high?

A: "Yes. My parents told me that if I wanted to go places, I had to get good grades."

Q: Are you more responsible now?

A: "Yes and no. At times I'm very responsible, and at times, I'm not."

Ah! Band class again. Seems like we're always in that class. But it's fun and the teacher is all right.

Oh, why are you taking my picture now? I'm supposed to be going to the restroom, but I took a slight detour.

Stacy Handley and her escort Jose Ochoa show off their winning smiles after she won her title as Queen.

Stacy Handley, Tonya McCallister, and Gina Cantu share their excitement during the Homecoming festivities.

Stacy Handley pauses a moment to fix her crown and walks with the other homecoming court members. The other members are just as excited.

Our Ingot football players run with extreme pride to the field. George Martin, Blake Thews and Erik Ast are the leaders in this great race. The champions of this great race helped us win our homecoming game in triple overtime. Our players are dressed and ready to go. Our Ingots will GO, FIGHT, WIN.

Ingots Ruled North Judson 27-20

1990-1991 Football Homecoming

The River Forest football team bombed out the North Judson Blue Jays 27-20. The homecoming game exceeded into triple overtime. The game was intense, but our Ingots came through with a victory. This was a homecoming game all the Ingots will remember. The SENIORS were as follows: Stacy Handley and her escort Jose Ochoa, Jenny Otero and her escort Larry Criswell, Tammy Norenberg and her escort Mike

Newlin, Tammy Fields and her escort Steven Douglas, Nikki Martinez and her escort Dan Djordjevich. The JUNIORS were as follows: Tonya McCallister and her escort Mike Holley, Kim House and her escort Kevin Persley. The SOPHOMORES were as follows: Jenny Tarin and her escort Jason Gray, Diana DeLeon and her escort Jody Adams. FRESHMEN were: Irene Diaz and her escort Angel Vega, Gina Cantu and escort Art Fuentes.

The homecoming game had an extra twist with the exciting half-time performance performed by the Pan Pom squad.

The intense game was experienced by all the football players and all the coaching staff. This homecoming game will never be forgotten by the loyal Ingots and their supporting families and friends. A few of the team members as shown, note that plenty of hard work and dedication can pay off in the long run. The team has plenty of rest and is ready to win.

1989-1990 Mr. Football and Miss Homecoming queen walking down the field ready to give their titles to new winners.

Basketball

On homecoming night, Anthony Alfano was called for a charging foul with just 3.4 sec. remaining as Wheeler (10-6) hung on to beat the Ingots (4-11) with a score of 50-51. Alfano had 13 points to lead the Ingots. During halftime of the game Mr. and Ms. Ingot Basketball and Mr. and Ms. Ingot Spirit titles were given. The 1991 Miss Ingot Spirit Court was Veronica Cortez, Pam Gonzales, Nikki Martinez, Jenny Otero, and

Cathy Craigin. Mr. Ingot Spirit Court was Pete Skoubas, Blake Thews, Steven Douglas, Anthony Alfano, and Gerald Lopez. Anthony Alfano and Jenny Otero were awarded Mr. and Ms. Basketball while Veronica Cortez and Steven Douglas were awarded Mr. and Ms. Ingot Spirit. Homecoming was a hit to remember even though we weren't victorious.

MIDDLE LEFT: Senior Anthony Alfano concentrates on sinking another free throw for two points.

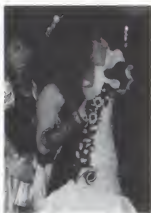

BOTTOM LEFT: Senior Kris Balmockovich patiently waits as his team sets up a play.

TOP RIGHT: Ingots huddle up for a time out, giving them time to think of their next move.

BOTTOM RIGHT: George Martin has that special touch to put another two points on the board.

Turnabout 1991

Michelle Taylor and Lisa-Rivera dance the night away.

Turnabout was held on Saturday, February 23, 1991 from 8:00 - 11:00 p. m. Mr. Brown and Mr. Slater were the sponsors of the dance. Red and white were the main colors used for the decorations. Snacks served at the dance consisted of, cookies, cakes, and punch. Sixty couples attended the dance. Girls wore gowns, tea length dresses and knee length dresses. Boys sported attire from suits to tuxedos to tails. Music was provided by Dr. Soundgood and pictures were taken by Midstates. All in all, the Turnabout was one we'll never forget.

Prom '91

On May 4, 1991 at 7:30 the Junior class presented *IN VOGUE*. The prom was held at Woodland Park Pavilion in Portage. The pavilion was decorated in white and silver with a touch of red. Pastories and punch were served. The prom was a huge success. Mrs. McNabb and Ms. Watkins sponsored this event. They both put in a lot of time and hard work. The 1991 Prom *IN VOGUE* will always be remembered.

Administration and Student Services

Hobart Township Community School Corporation could not function without the expertise and dedication of the administrative staff. Gerald McCullom serves as superintendent of the corporation with Donald Tippet as administrative assistant. We

see less of these administrators because they operate from Central Office. More visible in the school are the new principal, Daryl Fraley, and his confidential secretary, Deb DeVries. Dr. Robert Wright, counselor, with his secretary, Dorothy Sapper, and Wilbur Logan, Athletic Director,

are more familiar faces on campus. Also providing services for students are Mary Philpott, Treasurer, and Mary Bencie, school nurse. Students assistants donate their time to help provide the services in these offices as well.

JUNIOR HIGH ADMINISTRATION

Principal Fay Iorio is working with her secretary Dinah Johnson.

In this 1990-1991 school year, there have been many changes, one of which is junior high and administration. There is a new person filling every position. *Fay Iorio replaced John Edlemann as junior high principal. She shares her office with her new secretary, Dinah Johnson, who took over the job for Donna Lacosta. In the junior high guidance office, there are also new faces. The new guidance counselor, Bonnie Sponberg, took the place of Fay Iorio. Mrs. Sponberg's new secretary is Doris Guined, who took over for Debbie DeVries. These are some of the changes in the junior high for the 1990-1991 River Forest school year.*

Bonnie Sponberg is the new guidance counselor.

SCHOOL BOARD

Kathy Bryant and Maureen Alfano sit proudly behind their desks.

Lois Baker is President of the Hobart Township School Board.

This year's School Board is made up of a number of our going people who have made some big changes for 1991. Changes such as hiring Daryl Fraley as the new principal and new dress codes. The School Board, having meetings every other Tuesday night, has discussed several topics and passed many issues.

Harry Leonard sits next to Herbert Warren.

THEIR BIG IMPORTANCE!!

Many people do not realize just how much the faculty and teachers here at River Forest High School contribute to the everyday lives of the students at R. F. They provide students with information on how to communicate with others, take on responsibility, and most of all, they prepare us for the future.

As a teacher, teachers have many changes going on in your life. Each year teachers have the responsibility to educate pupils with information that will be helpful in their future years. They also have the challenge of being able to learn about new students each year. As a teacher, they should know what their students are capable of. If they are to teach, they need to see if the student is able to do the material.

Teachers and faculty make up a big part of R. F. They help make changes for students and themselves. Teachers are a big part of the everyday lives of students at R. F.

The cooks here at River Forest are responsible of the eating habits of the River Forest ingots during the time of 11:45 until 1:10. The cooks make a variety of food so that the students can pick from more than one dish daily.

Custodians here at River Forest are in charge of a great deal concerning the students here at R. F. They are responsible for getting the gym ready for any sports that will be taking place, they take care of the school grounds, they fix the students lockers, etc. All the cooks and custodians are very important to the everyday school day at R.F.

Goodbye River Forest

*Senioritis has hit the hall
As soon as we came back in the fall.
All four years are finally done;
It's time to study yet have some fun.
June 4th will be coming soon.
To some it will be great, to others bring gloom.
We've spent our teen years bonding here;
We made friends close and dear.
We've had our laughs and we've had our cries.
Some have found the perfect guys.
We've all grown older as our lives begin.
Maybe one day we'll meet again.
As we say goodbye to the River Forest halls,
We'll cherish the memories one and all.*

Good luck in your future, class of 91!

The 1990-1991 Juniors were very spirited throughout the year. Because we saw State this year with our football it gave the school as a whole a better outlook. People used to not want anyone to know what school they went to, but now people are proud to say they go to River Forest. We are finally getting known around the state! So people are a lot more excited about things that are going on. The many contests that the classes have are finally competitive. I'm really proud of how well our school is doing this year, and so are many others.

Vanilla Ice is too hot to be ice and M. C. Hammer is so hot that you can't touch him. So goes the battle between today's hottest rap stars. During their 1990-91 world tour, there were numerous arguments over who was the best. Some say Vanilla, some say Hammer. But leave it up

to the people to decide. And in this year's People's Choice Awards, they both left with an award. So, it really doesn't matter who has the best moves, it's who catches the eye and ear of the people that comes out on top.

Being a freshman is a lot different than an eighth grader. We asked some freshman to give us what they think was their best change since Jr. High. The following are some of their responses.

I concentrate more on my grades.
Stacy Maldonado

Being more open to my friends.

As many of us know, our first year of high school can be quite embarrassing time in one's life. Sitting in the wrong class for an hour. Some upperclassmen talking about your clothes, or hair style. So we asked freshman to tell us some of their most embarrassing moments this year, but not being cruel, the authors names are being kept anonymous.

When I got the pouff of my hair caught in the door of my boyfriend's car while he was closing the door.

When Mr. McDaniel made my class wait after the bell, just so they could watch me walk.

When I thought B. G. liked me, so we started talking, then someone told me he had no interest in me at all.

At the end of our marching band routine, when we are supposed to lay down our instruments, I didn't, so I was the only one holding my instrument.

Falling into the bleachers during a basketball half time show, while I was playing for Pep band.

I fell off the top of our cheerleading mount during practice, and the basketball team was watching.

Check Out A Change!

As Seventh Graders, many changes occur during the move from Elementary to Junior High. The students are pressured by the enormous amount of class that they are to attend and the many different teaching styles they are to endure. Not only are the classes and the teaching skills a big change but the way to act and dress can be a big difference. But these changes are normal.

Many students of the seventh grade gather around each other for a group picture.

WIND ENSEMBLE

The Wind Ensemble was directed by Mr. Weldon Slater. The students of the Wind Ensemble Band were selected for this opportunity because of their talent playing their instruments.

CONCERT BAND

The Concert Band was under the direction of Joe Kapclak. The Concert Band is mainly made up of students from Pep Band. They perform many concerts throughout the school year. The students work hard to make sweet melodies together.

AUXILIARY CORP

For the members of the 1990-1991 Auxiliary Corps there were many changes. For example, Mrs. Whiting was no longer the sponsor. Mrs. Galvin took over the responsibilities for the corps. The auxiliary corps had the pleasure of marching for the half time show at the semi-state finals and for the Class AA playoffs at the Indianapolis Hoosier Dome. "Overall the year was pretty good. Performing at the Hoosier Dome was one of the most memorable times of our lives," stated Valerie Kawohl.

YEARBOOK!!!

This year the yearbook class had a very rough start. Not only because the 1989-1990 yearbook wasn't even half finished when we started this school year, but also because the entire class was new people who didn't know a thing about layouts, computers, or anything like that. We are trying to meet all the deadlines this year; it is difficult but we are doing well so far. People are working as hard as possible and Mrs. Keller is trying very hard to keep the yearbook class going. This is Mrs. Keller's second year as the yearbook adviser. When she started teaching this class last year she was also a beginner, but she is working very hard to learn everything. The people that are in the yearbook class this year are: Jenny Otero, Pete Skoubas, Michelle Balduaf, Tom Bryant, Sharon Davaney, Frank Diaz, Steve Douglas, Melisa Duran, Kristin Enders, Pam Feldpausch, Nathaniel Gaska, Colleen Gryczewski, Jennifer Johnson, Pete LaFaucia, Gerald Lopez, Chris McFarland, Renae Mikita, Allen Neyhart, Andrew Piesyk, Kelly Sholes, Scott Tharp, Russ Torres, Heather Walters, Danielle Walton, Juan D'Angelo.

Colleen Gryczewski shows Pam Feldpausch how to do her layout. This is Pam's first year in yearbook and she is doing a great job!

Renea Mikita and Pam Feldpausch work diligently on their layouts because the DEADLINE is tomorrow.

I.N.G.O.T. INFORMER

River Forest H.S.
Home of Educational Excellence

Mr. Muir helps the Newspaper by looking over and changing the layouts.

Newspaper staff informs school

Newspaper is an elective English class and is designed to produce an informing newspaper to keep up on current events happening in school.

This year's staff has produced 8 issues which includes the senior issue. It also published many feature issues such as the Special Spring Issue, the Christmas feature, and the Peer Pressure Issue.

The class has many deadlines, and if one was missed, hundreds of dollars would be wasted on printer costs. On any day near the middle of the month, one can come into room 102 and see staffers racing around, trying to beat

their deadlines.

It used to be that when layout time came around, the Newspaper would order headlines for the Herald and hope that they fit. The staffers also printed the stories on a regular printer, giving them a generic quality. Now the class has a laser printer to print headline and stories to make them look professional.

With many programs not fully functioning, several staffers 1st their stories to the computer, and had to retype them. This often took a while longer for the students, as they can't usually remember what they wrote the first

time. Layouts are also rough to do. If there is not enough copy to fill a page, something must be done, such as more pictures or graphics.

Although the staff must stay late into the night once in a while, it's not as strenuous as the regular class day. There's more time to think about where this will go or how that will look. And it's more relaxed, so there's not as many typos and errors. At the end of the night, which is usually about 9: or 10:00, the paper is almost complete; all it needs now is a quick check-over to catch those last little mistakes.

Metals Reopens

I

Students of Metals class take a break while reading the Times.

Mr. Rajcic stands next to one of many metal machines which he refurbished.

A metals class returns to River Forest. In June of this year Mr. Tippet asked Mr. Rajcic to start a metals class again in the metals room. The Metals class has been closed since 1987. This year is the first Metals class that's been offered since then. Mr. Rajcic felt the Metals class should be reopened for students, and accepted to get it back in shape. "The students need a good educational class with a clean and productive place to work," said Mr. Rajcic.

Physics

Top: Gerald Lopez performs a difficult experiment.
Right: Mark Aghakhan feeling proud of his completed experiment shows it off.
Bottom: Mr. Brumley demonstrates an experiment.

Although most students have seven, or fewer, classes, ten high school students have eight courses. These students are taking a Physics course.

Since there isn't a teacher at R.F. with the qualifications to teach Physics, so it isn't offered here. Therefore, the students must attend Hobart High School for one hour a day where the class is instructed by Mr. Brumley, a Hobart teacher.

The students taking the Physics class are juniors and seniors who have passed at least three other Science courses, including Biology, Chemistry, and Biology II.

Each member of the "class" must have his/her own ride to Hobart High each morning. The class takes place before school every morning from 6:30 to 7:20.

Bus Drivers

The bus drivers here at River Forest High School are a big part of the every day events that take part of the daily schedule. They are to be at the bus stops on time so that the students are not late for class. Bus drivers also have a big responsibility. They need to make sure that all the students on the bus are kept safe and that they obey every driving law.

Not only are the bus drivers important, but the head of the driver needs to keep the buses in order to be driven.

The reviews are in. "The Perils of Priscilla" is a big hit!

The New York Times
"Destined to be a classic"

"The Ingot Informer"
"Ah, it'll do"

Ms. Priscilla instructs her students how to shoot the assistant superintendent.

Freckles shows the students the snake that she brought to scare the teacher.

Ms. Priscilla leads the class song.

An old favorite returned to River Forest this year, the teacher's play. This year, performed in the infamous round, was a delightful play titled, "The Perils of Priscilla." The play had teachers from each of the township's schools, and even our superintendent took part in the fun. The play earned over a thousand dollars in revenue for the Dollar\$ for Scholar\$ program. Directed by Tom Hontz, current English teacher, and former drama teacher, and actor, it gave us a familiar feeling as lines were changed to reflect our school, and some of the social, and economic issues of our area. Congratulations to the cast for their hard work on this dynamic comeback. May this become an annual tradition for River Forest.

The Graduating Class of 1991 !!!!

As of June 4, 1991, high school was over for this year's seniors. At 7:30 p. m. in the high school gym, Pomp and Circumstance (processional) was played as our graduates entered. For so long they have dreamed and longed for this day, and now, they have to face "the real world." Ms. Peggy Elliot of Indiana University Northwest gave the graduation address and as at every graduation, there were tears as the thought of reality set in. Cheryl Spanyers, the salutatorian spoke, and then the Validictorian, Stephen Douglas gave his farewell speech. There are memories of that night which will be embedded into all of their minds for the rest of their lives as the Recessional was played.....

Boys' Tennis

With the record of 11-5 and a doubles conference championship, Coach Detteline feels pretty virtuous about his season. Together the hard work and determination paid off. The Boys' Tennis team went out to accomplish something and accomplish they did.

Jody Adams and Brian Taylor had an outstanding season as number one doubles with the record of 10-2 and going to the third round in sectional competition. They attribute their success to the relationship they have, being good friends off the court and partners on.

Allen Neyhart and Stephen Douglas not only had a great season but also captured the title of Northwest Hoosier Conference #2 Double Champs.

An outstanding group of boys compiled of 13 Freshmen, 9 Sophomores, and 2 Juniors made up an exciting J.V. team. Together, although they lost their four games, they put forth a great effort. The J.V. team was lead by Junior Tackle Don Niemeyer, Sophomore Backs Mark Grissom, Pete Hernandez, and Robert Hernandez. Finally, two people to watch for are Freshman quarterback Jake Lewis and Wide Receiver Randy DeYoung, who will prove to be driving forces in next year's J.V. season.

The only major injury this season was suffered by Pete Skoubas.

Many teams have a dream at the beginning of their season that's to go to Indianapolis, but for only 2 teams that is a reality. The Ingots had a dream like that but they took it one step at a time. Their dream was to take the N.W.H.C. Their first obstacle was Kankakee Valley. The Kougars seemed like an easy obstacle losing to the Ingots 20-0 the only injury was to Pete Skoubas, a torn knee. The next and toughest challenge was archrival Lake Station or as people in this area called it the hillbilly Army-Navy game. It was a tough game. Both teams were 2-0 at the time, and it seemed the Eagles wanted it more, winning 0-12. The next conference game was to North Newton. The Ingots walked all over the Spartans 49-00. Another easy team for the Ingots was Remselear. The Ingots beat the Bombers 22-00. With a twist of fate, the Bombers beat the Eagles, which gave the Ingots a chance to tie for conference. The final test was North Judson. The Blue Jays weren't going to lie down and give the victory to the Ingots. They had to fight for it winning in triple overtime, 28-20 which gave them a tie for N.W.H.C.

Their next goal was to take sectionals. They had to go against North Newton. The Ingots had no problem winning 41-06. The next game was a sweet one, for the Ingots had waited for this one. The team they got was the Eagles. It was revenge. The Ingots won 32-06. For the sectional title the Ingots came against the Bombers. This victory wasn't going to come easy. The Ingots took the lead late in the 4th quarter and pulled out the victory 25-16.

Their next goal was to take the regionals. But the Ingots had to defeat the defending AA state champ Ft. Wayne Luers. The first half looked as if the Ingots were going to lose, but a long drive by the Ingots won it 15-12.

One more step for the Ingots before their big goal was to take Semi-state. The Ingots pulled out another last minute victory beating Lafayette West Devils 22-15.

This got them to their big goal which was to go to Indianapolis.

IS HOW WE SPELL VICTORY

On a damp and drizzly Friday morning, fifty-two Ingot players, coaches, and managers loaded on a charter bus and headed for their destination, the Dome.

Those Ingots traveled a long, hard trail to get where they were, from a devastating loss to Lake Station to the triumphant overtime victory over North Judson for the N. W. H. C. championship. Yes, they had made it, but it was only half the battle. The Ingots must go against the tough Indy team, Seccina Memorial, who would be playing in their own backyard.

The Ingots arrived in Indy at about 1:30 Hobart time. Upon arrival in Indianapolis, the bus quiet from anticipation. Coach Thomas stood in front of the players and said, "This is it, boys. The game you have waited all your lives to play in."

The athletes got off the bus, grabbed their equipment, and, there before them, the doors that led to their dream. The excitement grew stronger; they knew they couldn't wait to get in. Finally, the door opened and they looked upon their "field of dreams". When the Class A team scored a touchdown, the crowd's excitement carried to the team. The wait was even harder for the Ingots to bear. In the locker room an intense silence fell upon the Ingots and then the time came, the Ingots took the field, their excitement just exploded. The players were introduced, and the coin was tossed. The Ingots won the

loss, and they chose to receive. Then the game began.

The Crusaders scored first with a 25 yard pass by Chris Hutt to Brian Fields and a point after by Mike Jolly made the score 0-7 after that the Ingots took over scoring the next 3 touchdowns first with a 44 yard run by Anthony Alfano and a point after by George Martin made the score 7-7. The Ingots scored again with an 11 yard run by Richie Otero and a missed point-after by George Martin made the score 13-7.

Scoring again with an 8 yard pitch out to Kris Baimakovich and a dropped point-after pass to Mike Kalesiak made the score 19-7, ending the first half.

The Crusaders came out and dominated the 3rd & 4th quarters, scoring the next 3 touchdowns first a pass from Criss Hutt to Toby Jacobs and a point-after by Mike Jolly made the score 19-14.

Seccina scored the first touchdown of the 4th quarter with a 45 yard pass from Criss Hutt to Brian Fields for the 2nd time in the game and a point-after by Mike Jolly made the score 19-21.

Scoring for the last time, the Crusaders Toby Jacobs returned a punt 73 yards and making the point-after once again was Mike Jolly making the score 19-28.

The Ingots scored again for the last time in the game with a 4 yard pitch out from Anthony Alfano to Mark Griesam and a 2 point conversion by

Kris Baimakovich made the score 27-28.

The Ingots had one more chance to score but an out-of-bounds catch on a 4th down play ended the Ingots chances of a State Championship.

After the game the Ingots went over and shook the Crusaders hands and congratulated them on their season. Then the Ingot co-captains received the State runner-up trophy and one Ingot received the Phil Eskew Mental Attitude award. That Ingot was Anthony Alfano. After all the ceremonies and awards the Ingots headed to the locker room. On their way they were confronted by the Hobart Brickies who congratulated the Ingots on a fine season. Afterward in the locker room the head coach said that he couldn't be more proud of them and asked them to sing the school song one more time. Afterward the Ingots stayed the night in Indy and took in a movie "Young Guns 2" to help relieve the reality of a loss.

The next day the Ingots visited the Dome one last time to see the Brickies play the Franklin Central Flashers. The Brickies lost 34-14 and as did the Brickies, the Ingots congratulated the Brickies on their season and the Ingots loaded up and headed for New Chicago. The next day the Ingots had a parade and pep rally to honor their heroes and at the end of it all, the players received medals and for that little time all of them were kings.

Ingot seniors Pete Skoubas, Chris Shrewsbury, Kris Baimakovich, Blake Thews, Gerald Lopez, Anthony Alfano, Mike Kolesiak, and George Martin line up for their last photo together.

The great part about this season was that we won each and every game as a team; one person did not stand out. That was the great part about being part of this team.

I'd like to thank the team for our accomplishment this year, it was the greatest experience of my life. The trip down 7-65 was great.

The best part about the season was the fact that we won so many unbelievable games.

I just wish to thank the coaches and my teammates for going to the Dome and making me and our school proud.

Ingots send runner to state 2nd year in a row

This year Girls' Cross-Country was exciting. They had their first team in a couple years and, unlike most of the girls' sports, had a winning season. They advanced out of the Valparaiso Sectional, qualified for Regionals, and sent a runner down state to Indianapolis.

The runner's name was Elizabeth Piunti who is a freshman. She led the team by breaking the school record, making the all-conference team and the all-state team.

Ingots go without a break

This year's team was a hard working bunch of men who never really had a break. We mean there were six starters from the Varsity Football team that made the transition to Varsity basketball. The day after the football season ended. They started basketball to make up the lost practices. The Ingots had to practice on Saturdays and over Christmas break.

They still didn't get a break; they had to make up games scheduled during the tail end of the football season, but they overcame not getting breaks and won 7 games and lost 5 by only one point. Team leaders were Anthony Alfano M.V.P. and Mr. Basketball, Keith Jackson, most improved. The Ingots ended the regular season on a 3 game winning streak.

"I feel that we tried very hard, but I guess we just didn't try hard enough. It takes a lot of guts to play even when you're down by twenty or thirty points. So, you ought to give us some credit for at least trying. It's hard to break a losing streak. Now, don't get me wrong, I'm not making excuses, I'm just telling it like it is. Every one in the school cracks on us just because we can't win, but winning isn't what it's all about." - Gina Soria, 11

Ingots go through rebuilding session

This year's track team suffered the loss of 3 state qualifiers 2 to graduation and 1 to ineligibility. But the team made up for the loss by having returning letterman "Primitive" Pete LaFaucia, Dan "The Man" Pelfrey, and Keith "Action" Jackson.

Others helping in the rebuilding of the team were Angel Vega, Kevin Persley, Scott "The Mistro" Garrison, and Rich "The Nightmare" Otero.

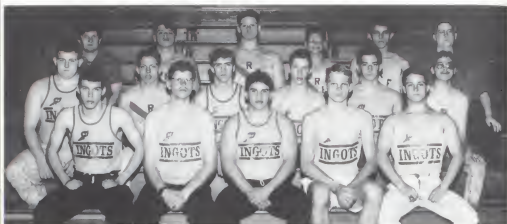

The Field events were headed by Discus Thrower Pete LaFaucia, Shot putter Rich Otero, Long jumper Keith Jackson, and High Jumper Joe Ondo.

The Distance running was dominated by Tony Piuanti and he was aided by Paul Carrol.

The Sprinting was pretty much evenly spread out between Angel Vega, Scott Garrison, and Kevin Persley, all of whom were on the 4x100 team.

The Medium Distance was run by Dan Pelfrey, and Eric Cisneros.

The team was coached by Bob Marszalek and Joe Bursleson.

MAKE CHANGES IN AD SALES.

Ad sales are a big income to the yearbook department. They provide the yearbook with a great deal of money to pay off the development of the yearbooks that are made throughout the many years River Forest has been open.

Not only do the ads give the yearbook money for the books, but it also helps the students of River Forest develop a knowledge of where and what kind of new stores and other facilities are in their location.

The yearbook is very dependent on the sales of ads. Without the help of the companies that help support our yearbook, there wouldn't be a yearbook for River Forest High School.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995. The public sector has also become an important employer of women, with 50% of public sector employees being women in 1995, compared with 45% in 1980.

There are a number of reasons why the public sector has become an important employer of women. One reason is that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work. Another reason is that the public sector has a high proportion of jobs that are part-time or flexible, which are more likely to be held by women.

There are also a number of reasons why the public sector has become an important employer of women in the 1990s. One reason is that the public sector has a high proportion of jobs that are in the health and social care sectors, which are traditionally held by women. Another reason is that the public sector has a high proportion of jobs that are in the education sector, which is also traditionally held by women.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995. The public sector has become a major employer in the UK, and its growth has been a major factor in the overall growth of the economy.

The public sector has also become a major employer of women. In 1980, women made up 40% of the public sector workforce, and by 1995, this figure had risen to 50%. This increase has been driven by a number of factors, including the growth of the public sector, the increasing participation of women in the workforce, and the increasing demand for public services.

The public sector has also become a major employer of young people. In 1980, young people made up 10% of the public sector workforce, and by 1995, this figure had risen to 20%. This increase has been driven by a number of factors, including the growth of the public sector, the increasing participation of young people in the workforce, and the increasing demand for public services.

The public sector has also become a major employer of people with disabilities. In 1980, people with disabilities made up 5% of the public sector workforce, and by 1995, this figure had risen to 10%. This increase has been driven by a number of factors, including the growth of the public sector, the increasing participation of people with disabilities in the workforce, and the increasing demand for public services.

The public sector has also become a major employer of people from ethnic minorities. In 1980, people from ethnic minorities made up 5% of the public sector workforce, and by 1995, this figure had risen to 10%. This increase has been driven by a number of factors, including the growth of the public sector, the increasing participation of people from ethnic minorities in the workforce, and the increasing demand for public services.

The public sector has also become a major employer of people from the lower socio-economic classes. In 1980, people from the lower socio-economic classes made up 5% of the public sector workforce, and by 1995, this figure had risen to 10%. This increase has been driven by a number of factors, including the growth of the public sector, the increasing participation of people from the lower socio-economic classes in the workforce, and the increasing demand for public services.
